In addition, Save The Music provides program support, including professional development, monitoring, research & measurement to grantee schools for a 10-year period. The J Dilla Music Tech Grant also includes 45 hours of professional development per semester with Arizona State University's (@ASU) Herberger Institute for Design and the Arts (@ASUHIDA), School of Music, and Music Education Program (@ASUMusicEd). This includes a semester of support from the Consortium for Innovation and Transformation in Music Education in answering questions and developing resources for teachers. Thank you to Dr. Evan Tobias (@etobias\_musiced) for helping us create the curriculum! Learn more at <https://citme.music.asu.edu/jdillamusictech/>.
